GUIDE TO LEASE FORMS

- If the horse is registered in joint names, then **both** owners must sign the lease form.
- The original registration papers **will be kept on file in the PHAA office** until the lease has expired or is terminated. Please send originals with this lease agreement.
- It is recommended that both parties keep a copy of this document for their records.
- A lessee copy of the registration certificate will be issued to the lessee, and the certificate will expire at the end of the lease period. Both parties will receive a notice prior to the expiry date of the lease giving option for the lease to either conclude on the expiry date or renew for a further lease period. If no reply is received prior to the expiry date the original papers will be returned to the owner and the lease file closed and PHAA records updated to show the same.
- It is recommended that the form be filled out in consultation with your solicitor as the laws governing leases may vary from state to state. For protection the lessor is advised to lodge a copy with the stamp duties office in the capital city of your state.
- Refer to PHAA rules 4 and 123.
